

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

REARDEN LLC, et al.,
Plaintiffs,

v.

THE WALT DISNEY COMPANY, et al.,
Defendants.

Case No. [17-cv-04006-JST](#)

**ORDER DENYING MOTION FOR A
NEW TRIAL AND/OR TO AMEND
THE JUDGMENT**

Re: ECF No. 740

Pending before the Court is Plaintiffs Rearden LLC and Rearden MOVA LLC's (collectively, "Rearden") motion for a new trial and/or to amend the judgment. ECF No. 740. Rearden argues that it is entitled to a new trial on apportioned profits because on a bench trial, "[t]he Court ultimately has the responsibility of reaching its own conclusions about apportionment, independent of the jury verdict" and therefore, "the Court should hear and consider a full record" on the issue of Defendant's apportioned profits. *Id.* at 4.

Because the Court has granted Defendant's renewed motion for judgment as a matter of law on Rearden's sole claim of vicarious copyright infringement, *see* ECF No. 758, Rearden's claim for a portion of Defendant's profits is now moot. Accordingly, Rearden's motion is denied.

IT IS SO ORDERED.

Dated: August 28, 2024

JON S. TIGAR
United States District Judge
